4. All calendar entries reflecting meetings between representatives of USAID and representatives of the Department of State, the Department of Health and Human Services, and/or the Trump White House regarding the January 23 Presidential memorandum re-instating the Mexico City Policy, or the Department of State's May 15 "Protecting Life in Global health Assistance" plan implementing the policy.

The timeframe for the request was from January 20, 2017, to the date the search was conducted.

We conducted a search of the USAID Bureau for Global Health (GH), the Bureau for Legislative and Public Affairs (LPA), and the Bureau for Economic Growth, Education and Environment (E3) for documents responsive to your client's request. This seventh and final response yielded a total of 212 pages. After careful review, it has been determined that 208 pages are outside the scope of the request.

The remaining four (4) pages contained information that originated with the United States Department of State (DoS). Therefore, we have forwarded those four (4) pages to DoS for further review and direct reply to you.

If you have any questions about this FOIA request, please contact Assistant United States Attorney Marina Braswell at [Marina.Braswell@usdoj.gov](mailto:Marina.Braswell@usdoj.gov) or at 202-252-2561.
